Education

2026/03/15–2027/09/30	**M.Sc.**, Research in Computer Science Supervisor: Prof. Dr. Matthias Güdemann Munich University of Applied Sciences (HM) Department of Computer Science and Mathematics Germany, Bavaria, Munich
2022/10/01–2025/09/29	**B.Sc.**, Computer Science Thesis: Elliptic Curves and Elligator: Concepts and Investigations Munich University of Applied Sciences (HM) Department of Computer Science and Mathematics Germany, Bavaria, Munich
2019/09/01–2022/04/08	**Vocational School Certificate**, Computer Science Städtische Berufsschule für Informationstechnik Germany, Bavaria, Munich

Work Experience

2026/01/16–∗	**Research Assistant**, Computer Science Focus: Research, Integration and Formal Verification of Memory Safety Approaches Supervisor: Johannes Wiesböck, Patrick Herter Fraunhofer Institute for Applied and Integrated Security (AISEC) Department: Secure Operating Systems (SOS) Germany, Bavaria, Garching near Munich
2022/09/01–2025/08/31	**Student Assistant**, Computer Science Focus: Design, Development and Deployment of Distributed Systems Bayerischer Rundfunk (BR), Hauptabteilung IT und Medientechnik (HAITM) Department: Zentrale Audio-Video-Technik Germany, Bavaria, Munich
2019/09/01–2022/06/17	**Apprentice**, Computer Science Focus: Design, Development and Deployment of Distributed Systems Bayerischer Rundfunk (BR), Hauptabteilung IT und Medientechnik (HAITM) Department: Planungs- und Standardapplikationen Germany, Bavaria, Munich

Licenses

2022/06/17	**Computer Science Expert Certification**	(Chamber of Commerce and Industry)
2022/03/08	**Linux Professional Institute (LPI) Certification 1**	(LPI)

Human Languages

Arabic	**A1**	(Technical University of Munich (TUM))
Chinese	**A2**	(UNICERT)
English	**C2**	(Cambridge)
German	**C2**	(Native)
Latin	**Latinum**	(ex GSO § 65, Germany)

Formal Languages

Mathematics	Category Theory, Complexity Theory, (Harmonic|Numerical) Analysis, Logic, Number Theory, Quantum Computing
Programming Languages	C, Go, Haskell, Java(Script)?, L∃∀N, MATLAB, Python, R, Rocq
Typesetting	∗roff, ∗TEX

Conferences

2026/09/13–2026/09/19	**Selected Participant** Autumn school "Proof and Computation" Ludwig Maximilian University of Munich (LMU) Department of Mathematics
2026/07/03	**Poster Presenter** Applied Research Conference 2026 Munich University of Applied Sciences (HM) Title: Closing the Gap Between Proof and Implementation: Formalizing Elligator in Lean Artifacts: Poster, Abstract

Research Interests

Higher Category Theory, Topos Theory
